Whispering Policy

*Sabbath morning is the high point of our worship week. Unfortunately, conversations during services distract many worshipers who are trying to focus on God and the programme. We would respectfully ask that during Service times, (other than Sabbath School classes) that all those who are not on the platform refrain from speaking needlessly. If there are urgent messages, please **whisper** very quietly in a person's ear. May God bless us as we all contribute to creating a worshipful experience for everyone in our Services.*
